It wasn't until I was in middle school that I even discovered that Dalet School had a newspaper. As I went further on into my schooling, I heard many talks of bringing it back, but, sadly, none came to fruition. That being said, it is a great honor to take part in the revision of the Dalet School Newsletter, **The Dalet Qol**. Being the oldest, I was even allowed the opportunity to become its first Editor. Thus, as a senior, it will be an even greater honor to pass this privilege to my underclassman, David Andrew Dolph. Thank you all for your support. This has been a wonderful year!
