Bibles and Books

The Sacred Scriptures, Bethel Edition

Over the centuries, many attempts have been made to render the inspired texts of the Old and New Testaments into the vernacular. The **King James Version** and the **American Standard, 1901**, are two of the most prominent and widely used English translations. The translators of the **American Standard Version** felt a need to use an attempted transliteration of the Tetragrammaton, but opted for the familiar form *Jehovah* instead of the accurate rendering Yahweh. Also, they did not attempt to use the correct Name of the Savior, Yahshua.

The **Sacred Scriptures, Bethel Edition**, is based upon the **American Standard Version, 1901**, and is published by Assemblies of Yahweh to provide an accurate, readable Bible for each individual. We have sought to eliminate the Shakespearean English which is no longer employed in modern usage. However, the text of this volume was main tained in strict majesty of expression as befits the Word of our Heavenly Father Yahweh and His Son Yahshua the Messiah. We have not resorted to the modern slang common in American English. The words of our Heavenly Father and His Messiah must be held in highest reverence.

Commentary on Galatians

Elder Jacob O. Meyer, Author
